

## Exercise 5.2

main    
 zoop just for 5  
 ping any not more  
 clink 4 It's  
 zoop breakfast 4

①	values	println
main	<span style="border: 1px solid black; padding: 2px;">.</span>	
zoop	<span style="border: 1px solid black; padding: 2px;">just for 5</span>	just for
ping	<span style="border: 1px solid black; padding: 2px;">not</span>	any not more
clink	<span style="border: 1px solid black; padding: 2px;">4</span>	It's
zoop	<span style="border: 1px solid black; padding: 2px;">breakfast 4</span>	breakfast !

② just for  
 any not more  
 It's breakfast  
 !

~~that's~~ same line  
 because  
 print was  
 used and  
 not println
